

Congratulations!

Dr. Wael Akl
on becoming the President
of Nile University

With great pleasure, Nile University is welcoming its new president Prof. Wael Akl, a man with an exceptional and prominent ideology and vision. On the 4th of August, Dr. Khaled Abdel Ghaffar, Minister of Higher Education and Scientific Research, approved the selection and nomination of the board of Trustees of the National Nile University, which agreed on making Dr. Wael Akl as President of Nile University, succeeding Dr. Tarek Khalil, whose presidency ended last July 31st, 2021.

**NU President
Word** 

Nile University was established on solid grounds with a clear Vision to become one of the elite Higher Education Institutions in the region. Throughout the past years and against many odds, Nile University has wholeheartedly, with great persistence and proven endurance and building on its Core Value, pursued fulfilling its Mission to support national technology-driven economy with competent graduates, know-how and brand-making innovations.

As the second President of Nile University, I was privileged to carry out the flag and pursue the path towards Excellence that was paved by former Nile University President (Prof. Tarek Khalil) and the institution founders. Since my engagement with Nile University in 2008, I have embraced the institution culture, morals, and work ethics. Building on which, along with hard work throughout the years, I have managed to work with fine colleagues to successfully develop a unique learning and research environment supported by true innovation and entrepreneurial culture that is becoming a landmark in the education system nationwide.

The path is still long to go, and the sky is the limit for what we could all achieve together, both within the university or outside through true partnerships with peers all over the world. The unwritten code of partnership between Nile University faculty, staff, students and the excellence-seeking minds and spirits are what will make all our dreams come true. Becoming a highly intelligent, full-fledged Higher Education Institution targeting sustainable growth and excellence in all its pillars (learning, research, innovation/entrepreneurship, and community service) are our commitments in the years to come.

EVENTS

SIGNING CEREMONY BETWEEN NILE UNIVERSITY AND ESC CLERMONT BUSINESS SCHOOL-FRANCE

Nile University Business School signed a Memorandum of Understanding (MOU) with ESC Clermont School of Business on the 4th of August 2021. According to this agreement, ESC Clermont will offer Nile University's Undergraduate students the opportunity to spend a semester at ESC Clermont as an exchange student. Another program signed with NU is a dual degree program where NUBS student can spend up to 2 years and earn their bachelor's degree from ESC Clermont in addition to NU degree. The agreement will also grant Nile University's students 15% scholarship to their Undergraduate and Postgraduate fees and tuition at ESC Clermont.

For those who are interested, ESC Clermont will be offering two tracks for its programs, one in the English language and one in the French language. This collaboration between NU and ESC Clermont is a great opportunity for Nile University's students to broaden their horizons, get a better understanding of diverse perspectives, and the chance of studying abroad and acquiring dual degree from NU and ESC Clermont.

12TH UGRF

This summer, Nile University – for the second time – is organizing the nationwide Egyptian Junior Researcher Competition, where all undergraduate students at universities and schools can participate and have the chance to win. On Wednesday, August 25th, the UGRF took place at Nile University Auditorium to compete for awards and cash prizes. Congratulations to the winners and to many more UGRFs.

ALUMNI TALK

The Student Life Office announced the launch of the ALUMNI TALK SERIES! Abdelrahman Amer (Class of 2017) gave a career guidance talk on zoom on Sunday, August 15th where he advised students on how to understand their strengths and weaknesses and then match them with their skills and interests so that they can get the best suitable career choice.

Abdelrahman is a certified lean six sigma black belt with a Master of Applied Science in Industrial and Service Engineering and Management. He is the primary author in 2 IEEE journal papers.

Alumni Talk Series features our alumni to talk about their experience at Nile University, and their learnings from their professional life, and how each one shapes the other.

CAMPUS TOURS

The marketing team is still welcoming new visitors to Nile University premises and conducting continuous campus tours till the end of the student recruitment phase.

THE MARKETING TEAM AT SHOOTING CLUB ELDOKKI

As we continue to prepare for recruiting new students to join Nile University, the student recruitment team has gone to the shooting club in Dokki for a full day on August 16th to encourage potential students to visit our premises and consider NU as their first choice when applying to their future education journey.

ACHIEVEMENTS

Congratulations to Prof. Ahmed Madian and Ahmed Magd, our former RA, for winning the 1st place in best paper award in the 38th National Radio Science Conference (NRSC 2021) on the first of August.

The Council of the Academy of Scientific Research and Technology has announced that Prof. Dr. Ahmed Hassan Kamel Madian, a professor at the Faculty of Engineering and Applied Sciences at Nile University, has won the Shorouk Academy Award for Scientific and Technological Creativity. Nile University wishes you more achievements and successes!

Congratulations to Prof. Hassan Y. Aly for being elected as a member in the Board of Trustees for the Economic Research Forum (ERF) for the years 2022 – 2026.

ERF is a nonprofit organization with a regional network dedicated to promoting high quality economic research to contribute to sustainable development in the Arab countries, Iran and Turkey.

STUDENTS' LIFE

MALAK HAMZA AT TOKYO OLYMPICS 2020

Shout out to our beloved BBA student Malak Hamza. Malak is placed among the top 10 athletes in trampoline gymnastics in the first historical participation for Egypt. Way to go, Malak!

GSP CLUB COLLABORATION WITH THE STUDENT LIFE OFFICE

Dr. Ghazi Tadmouri, Dean of the faculty of public health in Jinan University and Dr. Nesrine Bissar, Director of the faculty of health sciences, Beirut Arabic university in Tripoli, Lebanon, paid a visit to Nile University on Sunday August 8th. The visit offered a first-hand view of the University's potential.

INSIDER NU TALK WITH DR. WAEL AKL

InsiderNU met Dr. Wael Akl, NU new president, on August 8th, 2021, with the presence of InsiderNU President "Mohamed Yasser", InsiderNU Head of Planning and Human Resources "Mohamed Ibrahim", and NU Students' life manger "Ms. Gina Mowafy"– and interviewed "NU President" Dr. Wael about the most important issues NU students are facing and the questions that occupied them during the last period.

SU TRIP TO HURGHADA

Nile University's Student Union organized a trip to Hurghada. Trips are important for students as they meet new people and make lifelong connections. Exposure to the problems and perks of other lifestyles helps students see their world in a different way.

NEW NUSU BOARD

Let us say goodbye to our former president Ali Farouk and former head of activities Ibrahim Helal; we would like to thank them for their great efforts and leadership roles during this tough period that was mixed with ups and downs.

On behalf of the SU, we would like to welcome the new members replacing them:

NUSU President: Mostafa Khater

NUSU Vice-President: Omar Abdullah

NUSU Head of Activities: Yousef Wail Shoula

NUSU Clubs Coordinator: Seif Medhat

COMING SOON

GSP EVENT (SIMULATOPEDIA):

GSP Club is launching a new project called Simulatopedia, which took place on August 26th, 2021, at Nile University. This project was created for the sole purpose of giving students an insider look of the everyday operations and internal processes of reputable companies.

Follow its Facebook page and stay tuned for more details.

EGYPTIAN SPACE SUMMIT BY IEEE AND E-CLUB:

IEEE Club is partnering with the Egyptian Space Agency in hosting Egypt Space Summit in September 2021. The primary purpose behind this summit is to raise youth's awareness about the Space industry and Egyptian Space possible future careers. Moreover, it will increase youth's knowledge about astronomy and its relationship with STEAM fields. The event will take place on Thursday, September 2nd, 2021.

GRADUATION CEREMONY:

NU is very excited to celebrate the class of 2020/2021! The senior class will be graduating on Tuesday, September 14th. We are incredibly proud of our graduating students and are looking forward to recognizing their accomplishments.
